

Loud and clear everybody. Let's cheer on our wonder – guy Connor McDavid and the whole Team!! To top it off we are going up against those pesky Flames down south of us. It is amazing how hard they all worked to eliminate the LA. Kings, and we want them to go deep into the Stanley cup run, so here goes our chant:

**Let's Go Oilers! Let's Go Oilers! Let's Go Oilers!**

Dear Members and friends;

We have been busy this early part of Spring 2022 attempting to animate life outside of our homes. Attendance at activities have been very good and the feed-back on things so far has been extremely positive.

We also tried our hands at an on-line 50/50 Raffle. We are happy to announce the winner was Cheryl Sheridan. We sold tickets for one month before the Mother's Day Tea draw/ A total of \$1,075.00 in tickets and after costs, Cheryl is to receive \$489.90. Congratulations Cheryl!

Also, Congratulations to CWN's new Board of Directors for the 2022/2023 year. We especially welcome Antoinette Alleyne and Peter Sheridan who were newly elected on April 20. We welcome back Zobeda, Adheen, Frances Small, Reina Granados, Ulrich Birbal, Tony Montrose, Lydia Boodram and Cheryl Sheridan. We say a fond farewell to Cristian Munoz who served on CWN's Board for several years. The best with all your new initiatives Cristian.

**A few Programming Notes**

Currently our book club is reading the timeless classic **100 Years of Solitude** by **Nobelist Gabriel Garcia Marquez**. It is described as a landmark novel that tells the story of the life of a mythical town, Macondo; a history of the Buendia family; and the conflict between the desire for solitude and the need for love.

**Seniors' Circle-** Our May date was cancelled due to scheduling conflicts but we'll update you on the June activity and others to follow

**Cariwest Launch** what big success. Thank you Frances, Dylan, Michael and Reina for living up to the spirits of Caribbean beats. We share Dylan mohammed's photo from the runway:

As June approaches, we have to begin getting ready in earnest for the parade and the festival which happens on **August 5, 6, and 7** downtown and Churchill Square:

Attendees at our recent Mother's Day Tea. We thank all the singers, poets, story tellers, those who prepared goodies for the table, and those who shared from the wisdom of their own mums. We also appreciate the help of all who volunteered. Here is a saying from Bertha Mary Allen of Louisiana, USA shared with us by her daughter Delores Allen Jack: **"You haven't been far enough around to see the cup to see the handle."** This meant you haven't lived long enough to have a good perspective on life, so perhaps you should be quiet.

Thus far in 2022, CWN has been funded in part by
